

YOUTH CONNEXION

Youth connexion is an educational & training centre for young people, teenagers and adults ages between 13-35 years. This is a short 12 weeks practical course, with learners attending 4hours per week per course in which you will learn a number of skills in Media Production, Music, Dance and Drama. We work with local peoples, support young people and help ex convicts get back to work by empowering them with applicable skills.

MEDIA TRAINING & PROGRAMS:

- Video Production (Video recording, presentation and editing)
- Digital photography (creating and editing Image for print or publishing)
- Employability skills
- Basic IT online
- Music creation using electronic software
- Dance ,Acting and drama teaching
- Mentoring and counselling for youth and adult

This course has been designed to help candidate wishing to start careers in the Creative and Media industry sectors, including media apprenticeships.

No entry requirements, we will assess each candidate after your registration to ensure that you enter courses at the appropriate level that best suits your previous knowledge and experience.

VOLUNTEERING OPPORTUNITIES
