"As a lawyer, I've had to learn that people aren't just good or just bad. People are many things."

Paul Biegler isn't looking forward to becoming a defence attorney but his first case is sensational: a Lieutenant is accused of murdering the bartender who allegedly raped his wife. It's a high-stakes battle of wit and determination as Biegler uses every device to save the officer's neck.

In this London premiere of Elihu Winer's *Anatomy of a Murder*, For Short. bring their unique brand of site-specific theatre performance to this revolutionary courtroom drama for a strictly limited run.

"A company with all the tools to make great theatre"
- Mark Rylance, *For Short. Patron*
