

# What IS Project Trust?

Project Trust is an educational charity that has been organising long-term voluntary placements in Africa, South America and Asia for teenagers since 1967. Based on the Hebridean Isle of Coll, Project Trust run courses to select and train around 300 young people annually to prepare them for 8-12 month overseas teaching, social care and outward bound projects. Volunteers return home with bigger horizons, increased maturity and an impressive range of skills.

# HELP GET JELLY TO

# SOUTH AFRICA

**project**  
TRUST

# ABOUT ME

# FUNDRAISING

# SOUTH AFRICA

## Hi! I'm Jelly.

I'm a sixth form student studying English, Classics and Psychology at Hills Road in Cambridge. I hope to study Psychology at either Cambridge or Durham University.

I live at home with my parents, my two brothers and lots of pets; far too many to mention. My interests include Ice Skating, Music and I absolutely love animals.

I became a vegetarian as I wanted to make a difference, which is also why I would love to spend the next year working in an orphanage with underprivileged children in South Africa - so that I can try to make a difference to their lives.

# THANK! YOU!

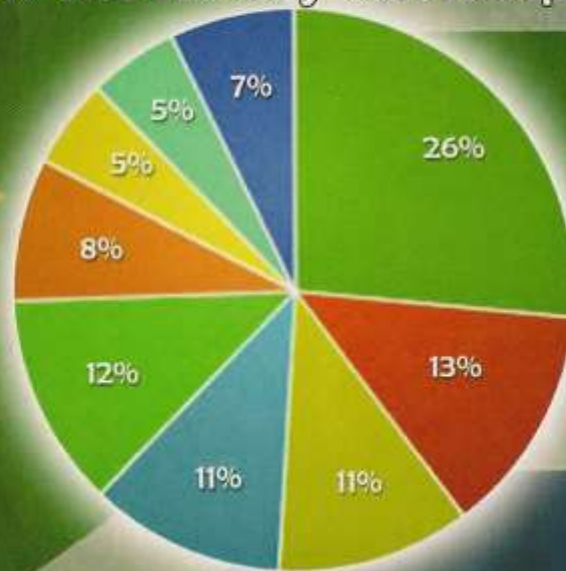

All help and donations are so greatly appreciated

To get to South Africa I will first need to raise

# £6,200

Below is a breakdown of how the money will be spent

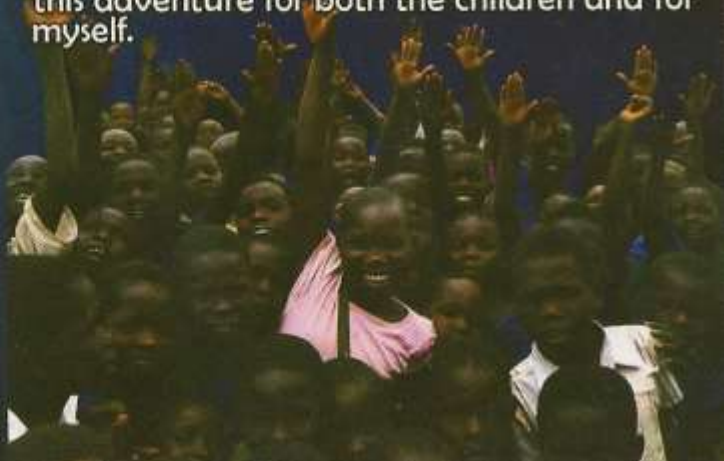

Volunteer Insurance 5%	Selection 11%
Training and Debriefing 8%	Other 2%
Administration 12%	Travel 13%
Fundraising 5%	Operating 11%
Recruitment 7%	Support Overseas 26%

South Africa is a very diverse country with 56 million people and 11 official languages. Although it is one of the most developed African countries, there is still vast poverty with great hardship felt in large sections of the country.

South Africa is one of the largest and longest running Project Trust placements, and I can't wait to make my own contribution. I have been selected to teach and help look after young children living in an orphanage for 12 months. Please support my fundraising so that I can achieve my goal and embark on this adventure for both the children and for myself.
